

Artificial Cells & Organs Research Centre: an international centre www.artcell.mcgill.ca

Headquarter

Artificial Cells & Organs
Research Centre,
Faculty of Medicine, McGill
University, Canada
Director: TMS Chang

Full time members
Prof. TMS Chang (Physiology,
Medicine, Biom Eng)

Prof. S. Prakash (Biom Eng)

Associates

Dr. Paul Barre (Medicine),

Prof. E. Georges

(Biotechnology)

Prof. ZH Gao (Chair,

Pathology)

Dr. C. Hoelsli

(Chem Engineer)

Dr. M. Kinsell

(Bioengineering)

JY Li (Mechanical

Engineering)

Prof. D. Nicolau (Chair

Bioengineer)

Prof. D. Shum-Tim

(Surgery)

Associated Academic Institutes

汕头大学医学部

张明瑞院士专家工作站

"Academian TMS Chang Specialist

Workstation", 1st Hospital, Faculty of

Medicine, Shantou University

Elected Honorary President & Coordinator: TMS Chang

Elected Executive committee members: 22 world-wide

International congresses & Symposia

Sorted by dates held: Canada (McGill), Italy,

Israel (Technion), Turkey, China (Chinese

Academy of Medical Sciences CAMS),

U.S.A. (MIT), Mexico, USSR (Academy of

Sciences), Canada (McGill), Germany, Japan

(Waseda), Italy, Canada (McGill),

U.S.A. (Brown), China (CAMS), Italy,

U.S.A. (Harvard), China (CAMS), Sweden (Lund),

Canada (McGill), Japan (Nara), Germany

(Charitie). **Most recent ones:**

2011 XIII ISBS MGH Harvard

President: W Zapol (Harvard)

Honorary President: TMS Chang (McGill)

2013 XIV ISBS BTI Chinese Academy Medical

Sciences (CAMS)

President: Vice President, CAMS

Honorary President: TMS Chang, (McGill)

2015 XV ISBS Lund, Sweden

President: Leif Bulow (Lund University)

Hon President: TMS Chang (McGill)

2017 XVI ISBS McGill Univ Montreal, Canada

Hon President: TMS Chang (McGill)

2019 XVII ISBS Nara, Japan

Presidents: CG Yang (BTI CAMS), H Sakai (Nara)

Hon President: TMS Chang (McGill)

2021 XVIII ISBS Berlin Germany

President: H Baumlér (Charitie Hospital)

Hon President: TMS Chang (McGill)

International Society for Nanomaterial Sciences

Hon President: Prof TMS Chang

President: Dr. G. Budak

Book series, journal & website

(1) Regenerative Medicine Artificial Cells & Nanomedicine: Book Series

Editor in chief: TMS Chang 2006-

2007 (Chang) Artificial Cells

2010 (Friedman et al) Uremia Px

2014 (Chang) Nanomedicine

2017 (Chang et al) Hemoperfusion

2021 (Chang et al) Nanobiotherapeutic

Blood Substitutes

2023 (Chang) Artificial Cells

(2) International Journal Artificial Cells, Nanomedicine & Biotechnology

Editor in chief: 1980-2020 Emeritus editor

TMS Chang.

Co-editors in chief
