

Artificial Cells & Organs Research Centre: an international centre www.medicine.mcgill.ca/artcell

Director TMS Chang

McGill University
Prof TMS Chang, Director

Full time members
Prof. TMS Chang Lab
Prof S. Prakash Lab

Associates
Dr. Paul Barre,
Prof E Georges
Dr. C Hoesli
Dr. M Kinsella
Prof. D Nicolau
Prof. P. Ponka,
Prof D. Shum-Tim

**International Society of Artificial Cells,
Blood Substitutes & Biotechnology**
(An international network)

TMS Chang:
Coordinator & Honorary President
Executive committee : 21 world-Wide

International conferences
Rotated from McGill to Italy,
Israel, Turkey, China, Mexico,
USSR, McGill, Germany, Japan,
Italy, McGill, U.S.A., U.S.A.
(MIT), China, Italy, USA, China,
Sweden, McGill
Most recent ones:
2011 XIII ISBS MGH Harvard
President: Prof W Zapol
Honorary President: Chang
**2013 XIV ISBS BTI Chinese
Academy Medical Sciences**
President: VP CAMS
Honorary President:
Prof TMS Chang, McGill
2015 XV ISBS Lund, Sweden
President: Prof Lief Bulow
Hon President: Prof Chang
2017 XVI ISBS V ISNS McGill
Univ Montreal, Canada
Hon President: Prof Chang

International Journal
Artificial Cells, Nanomedicine
& Biotechnology
(Taylor & Francis)
<http://www.tandfonline.com>
Editor in chief: TMS Chang

Editorial Office:
Editorial Administrator
Lancy Chang

Associate Editors:
YT Yu (China)
D Poncelet (France)
S Prakash (Canada)
G Budak (Turkey)
Editorial Board
40 members from:
Canada, China, U.K.,
Japan, USA, Israel, India,
Turkey, France, Iran, Italy,
Swiss, Austria, Germany,
Slovak, Czech, Russia

**Other international
networks**

**International Society for
Nanomedical Sciences**
Hon President: Prof TMS Chang
President: Dr. G. Budak

Honorary professorships
China: TMS Chang
Peking Union Med College (Hon Prof):
Nankai University (Hon Prof)
Blood Transfusion Institute of Chinese
of Academy Medical Sciences (Hon Prof)
Shantou University Medical College (Hon
Prof)
India : S. Prakash
Bundelkhand University (Hon Prof)
