

Multidisciplinary Oncology Residents Education (MORE) Session: July 2016 – June 2018

McGill University – Gerald Bronfman Department of Oncology

GLEN Room: D02.1312

DATE	TOPIC	DATE	TOPIC
July 8, 2016	Basic Science – Molecular Techniques	July 7, 2017	Gynecologic Cancers - Ovarian
July 22, 2016	Basic Science - Cancer Biology	July 14, 2017	Cancer Pharmacology (Location JGH- E-711)
August 5, 2016	Cancer Pharmacology	July 21, 2017	Breast Cancer – Metastatic
August 19, 2016	Journal Club*	August 4, 2017	Colorectal – Metastatic including management of hepatic metastases
September 9, 2016	Fertility	August 18, 2017	Journal Club*
September 30, 2016	Topic : Oncologic Emergencies <u>Location</u> McGill Simulation Center	September 1, 2017	Lung Cancer I – Stage 4 non-small cell
October 14, 2016	Skin Melanoma Competence by Design – Only Medical Oncology Residents were invited.	September 22, 2017	Pancreatic Cancer
October 28, 2016	Journal Club*	October 6, 2017	Breast Cancer – non-metastatic
November 11, 2016	Prostate Cancer I – Low risk , high risk, metastatic	October 20, 2017	Journal Club*
December 2, 2016	Head and Neck Oncology	November 3, 2017	Hematology Cancers
December 9, 2016	Sarcomas	November 17, 2017	Adolescent and Young Adult Oncology
December 16, 2016	Palliative Care	December 1, 2017	Geriatric Oncology
January 13, 2017	Colorectal II – Adjuvant therapy for anal and colorectal cancers	December 15, 2017	Lung Cancer II - Stage 1-3 non-small cell
January 27, 2017	Journal Club*/Cancer Cachexia Lecture	January 12, 2018	Colorectal- Non-metastatic
February 10, 2017	Kidney/Renal Cell Cancer	January 26, 2018	Journal Club*
February 24, 2017	Esophagus/Gastric Cancers	February 9, 2018	Pediatric Oncology
March 10, 2017	Cancer Support	February 23, 2018	CNS Tumours
March 24, 2017	Cancer Genetics	March 23, 2018	Urinary Cancers – Bladder
April 7, 2017	Journal Club*	April 6, 2018	Journal Club*
April 21, 2017	Genitourinary Cancers	April 13, 2018	Lung Cancer III – Small cell, mesothelioma, thymoma
June 2, 2017	Best Practices in Research Protocol Design	May 11, 2018	Urinary Cancers - Bladder
May 26, 2017	Any Make-up session-- No session	May 25, 2018	Liver Cancer
June 9, 2017	Any Make-up session – No session	June 8, 2018	Lung Cancer III – Small cell, mesothelioma, thymoma

*Coordinator: Dr. Eduardo Franco
